THE STAR OF THE GARDEN

White Wedding *Bouncy Castle*

An all-white castle made to match a wedding, not a children's party. It's the one guests queue for, in the dress, in the suit and with the bridesmaids.

FOR THE EVENING DO

Wild West *Rodeo*

A bit of friendly competition once the dancing starts. A trained operator runs it for 2 hours, at the start or the end of your evening, and you can add extra hours.

IN THE GARDEN

Games for the *whole party*

Wedding Crazy Golf

A crazy golf course styled for weddings, for a round between the photos, the meal and the evening do.

Wedding Games Area

A picket-fenced corner with Jenga, Connect 4, Noughts & Crosses, Skittles and Ring Toss.
